

Reviewing of Abstracts & Papers for the CIRED 2026 Brussels Workshop

All papers submitted to the CIRED 2026 Brussels Workshop are peer-reviewed in two phases:

- Abstract submission (deadline: 1 December 2025)
- Full paper submission (deadline: 25 February 2026)

The reviewers include members of the CIRED 2026 Brussels Workshop Committee.

These reviews are all taken into account when considering the acceptance of a submission.

You can find more information on our website
